You can determine 94/95 harnesses by looking for Pin U on the transmission connector. Also, 1994 4L60E transmission WILL NOT work properly with 96-97 PCM's. 1996-1997 were OBD2 PCM's. These had service numbers 16214399 and 16242921. To program these PCM's takes more expensive hardware/software then previous 94-95 PCM's.
