## **A Moment In The Sun**

A Moment in the Sun is a big sprawl of a novel at 955 pages focusing on a sliver of time at the turn of the last century, the era of the Spanish American War. At the heart of his story is American imperialism and racism. It seems to be his intention to illuminate American traits of the past we'd easily recognize as those of today.

especially when set against an otherwise moderate or unremarkable life. After 35 years in this one-horse town, all I want is a moment in the sun, a time when the whole world knows and loves me!

### **Moment in the sun - Idioms by The Free Dictionary**

A Moment in the Sun's moment is now, a strapping 935 pages, a sprawling U.S.A.-style novel that, something like the John Dos Passos classic, follows a group of characters in parallel tracks as they traverse the America of 1897, taking in the Yukon gold rush, the Spanish-American War in the Philippines, and the advent of movies. Like all Sayles films and novels, it's drenched in a detailed, loving awareness of time and place."

...

The book draws its title from the W.E.B. DuBois’ quote about Reconstruction—a “moment in the sun” for African Americans. Sayles shows through the stories of 35 vivid characters how the sun sets at the turn of the century throughout the United States and many parts of the world due to the racism in our domestic and foreign policy.
