Economic Update is a Democracy at Work (d@w) production. d@w produces media and live events that aim to expose capitalism's systemic problems and to show how democratizing our workplaces solves them. We can do better than capitalism.

Economic Update - Democracy at Work (d@w)

Democracy at work instills a minimum of accountability on the part of the management—a minimum of oversight over how (and why) certain decisions are taken—and provides a push towards equal treatment. As a result, companies will be more likely to take into account

salary ratios as well as environmental, social and other concerns.
