Im Not Crazy Just You

No one is right or wrong - just different! Tracing the growth of the study of personality type from its roots in the work of Carl Jung to today's subtly nuanced type theory, I'm Not Crazy, I'm Just Not You shows how greatly our individual personality preferences affect our interactions with others. By shedding light on individual characteristics and tendencies, psychologists Roger R. Pearman ...

I'm Not Crazy, I'm Just Not You / 978-1-857-88552-1 I'm admittedly not a big fan of the Myers-Briggs personality types model. I've seen the model employed badly, too many times, at corporate retreats that seemed to use the model to stereotype and as an excuse to avoid getting to know individuals meaningfully.
