Shadow also includes positive traits you may have denied, such as power, justice and creativity. It may also include your interest in and desire, to practice shamanism, paganism, magick, etc. Anything you, your family, or society (consensus reality/overculture) deems as "forbidden" or "sinful" may be found in your Shadow Self.

Shaman's Way: Shadow as a Teacher

Tom Chapman Barros-Wing November 14, 2020 at 1:17 AM. Shaman still seems quite useful in Faction Wars, even if you're finding she's useless everywhere else. The higher you go up in the end game, the more champions end up specializing in very few applications-which means that it matters less and less how situational any given champion is, and these randos end up becoming crucial.

Lion and Shadow Shaman are often thought of as a similar type of heroes — they are disablers, often picked when your team is lacking teamfight or ganking utility. They are also good counters for extremely mobile heroes who rely on positioning to stay alive, courtesy of a 0 cast point hard disables. And both of them came out buffed in 7.07, with the changes to hex mechanics.
