It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Introduction To Governmental And Not

3.0 out of 5 stars Introduction to Governmental and Not-for-Profit Accounting. Reviewed in the United States on August 30, 2000. I would rate this book very highly for the non-accounting professional. The book takes the high level of technical terms and reduces it so that it is user friendly for all groups of business professionals.
