"London Falling" Emma

Carr's first novel ended

up being a great read!

She took me back to

London in a wild way.

The main character,

Aimee, is amazingly

strong and resilient.

And her connection

with the English gent

Simon is one I fell in

love with. I definitely

stayed up way pass my

bedtime reading this

one.

"London Calling" is a

song by the British
punk rock band the

Clash. It was released

as a single from the
band's 1979 double

album of the same

name. This apocalyptic,
politically charged rant

features the band's

post-punk sound,

electric guitar and
