Nothing Was The Same Kay

Nothing Was the Same is a memoir by Kay Jamison about loosing her husband to cancer. I gave this book all five stars because this book on grief is very well written and importantly it comes from a first hand experience. Even more, Mrs. Jamison helps one understand the differences and similarities between grief and depression.

Nothing Was the Same by Kay Redfield Jamison

About Nothing Was the Same. Kay Redfield Jamison, award-winning professor and writer, changed the way we think about moods and madness. Now Jamison uses her characteristic honesty, wit and eloquence to look back at her relationship with her husband, Richard Wyatt, a renowned scientist who died of cancer.
