The good news: Auto and homeowners insurance policies, previously paper stuffed in a drawer, now likely are online. The bad news: Some of your holdings are not available electronically, though.

3 Worst Estate Planning Mistakes and How to Avoid Them ...

I had to return a PRS amp because the noise made it totally unusable - 60db! - it was fine in the shop. The Katana is quiet unless the gain is way up. I have tried the Helix emulations against the actual pedal, putting the pedal in a loop in an otherwise empty signal chain in Path A, and 2 Heir Apparents in Path B.

Rediscovering how amazing the Helix is. - Helix - Line 6 ...

Taming a bad case of bedhead in the morning can be both tricky and time consuming (especially when you're already running late to your next Zoom call). To stop knots and tangles in their tracks, we've tried our fair share of sleep-time hairstyle hacks, from the silk pillowcase to the blow-dry preserving bun.

Overnight Hairstyles That Will Cut Down Your Styling Time ...

The Human System. I use the term "evolved mental firmware" a lot in my writing.I look at it like this; we have the hardware that is our biological reality, a firmware that is our in-born, evolved proclivities (and the psychological aspects of how men and women's hardware affects it) and the software that accounts for the social programming we learn from our environments and circumstances.

Heirs of the Blank Slate
